

Research Sheet

Use this document to give you ideas for your theme, suggestions for what events you may want to put on and for who else you may want to involve from the local area (if anyone).

Eden North will consist of three core areas. These are themed as the Bay, Above The Bay and Below The Bay.

- **Bay.** This area will focus on natural rhythms, such as tidal rhythms and lunar rhythms, and how they underpin the health and well-being of people and the natural environment.
- **Above the Bay.** This part will be an environment filled with plants and art exhibits, showcasing natural abundance and the rhythms of life linked to the sun, the application explains,
- **Below the Bay.** This will be an immersive series of theatrical experiences that bring to life lunar rhythms and tides.
- There will also be a Natural Observatory: the home of Eden Project North's research and education programmes.

- A flagship project, which has a vision to regenerate and re-imagine Morecambe as a seaside resort for the 21st Century.
- Morecambe's motto of 'Beauty Surrounds and Health Abounds', recognises the importance of enhancing wellbeing
- The natural environment in and around Morecambe Bay is internationally significant, and the views across Morecambe Bay are amongst the finest in the country.
- Morecambe Bay is one of the most important wildlife sites in Europe, boasting abundant bird life and diverse marine habitats.
- Eden North will be a ticketed visitor attraction including a mix of entertainment and educational facilities provided within four large shell-like superstructures, connected to the ground by a lower structure that wraps around the building, and enhanced by areas of high-quality open space and landscaping.
